An act to amend Section 87482.5 of the Education Code, relating to community colleges.

### LEGISLATIVE COUNSEL'S DIGEST

AB 591, as amended, Dymally. Community colleges: temporary employees.

Existing law establishes the California Community Colleges under the administration of the Board of Governors of the California Community Colleges. Existing law requires that a person employed to teach adult or community college classes for not more than 60% of the hours per week of a full-time employee having comparable duties, excluding substitute service, be classified as a temporary employee.

This bill would, ~~notwithstanding any other law, or collective bargaining agreement entered into or renewed on or after January 1, 2009,~~ instead, require that any person who is employed to teach adult or community college classes for not more than 67% of the hours per week considered a full-time assignment for regular employees having comparable duties, excluding substitute service, be classified as a temporary employee. *If these provisions are in conflict with the terms of a collective bargaining agreement in effect on or before January 1, 2009, the provisions of this act would govern the employees subject to that agreement upon the expiration of the agreement.*

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*
